# Fawkham CE Primary School

## Behaviour Management and Discipline Policy

*The work of our school, underpinned by our core Christian Values:  
Respect, Caring, Friendship, Honesty, Forgiveness and Responsibility*

**DREAM, BELIEVE, ACHIEVE AT FAWKHAM CEP SCHOOL**

**We value diversity and promote equal opportunities for all.**

Following the reintegration and return of children from 1<sup>st</sup> June 2020 at the earliest the following extra measures linked to behaviour management and discipline will be in place:-

### **In the Classroom/Outside**

When the children return to school time will be spent agreeing and establishing the following rules:-

- ✓ Keep at least 2m away from other Bubbles of children/adults at all times
- ✓ Try to limit the close contact you have with other children and adults within your Bubble although we know that's not always going to be possible and that is okay as long as it's just within your Bubble
- ✓ When lining up ready to come into school stand on a painted spot where your teacher asks you to stand.
- ✓ When queueing in school stand on the taped lines where your teacher asks you to.
- ✓ When using the toilet only use the toilet with your Bubble's picture on and only use the sink with your Bubble's picture on.
- ✓ Follow the one-way system when in the toilet block
- ✓ Keep your hands away from your face, mouth and eyes
- ✓ Keep your own equipment in your trays on your table – only use your equipment or other equipment/resources/toys that your teachers give you.
- ✓ Only play with your own Bubble's box of toys during playtimes and dinner time playtimes
- ✓ Follow the cleaning and hygiene rules that your teachers set you – particularly washing your hands regularly and using hand sanitiser regularly.
- ✓ Follow the Catch it Bin it Kill it rule when coughing and sneezing then wash your hands thoroughly
- ✓ At playtimes only play in the areas of the school where your teachers tell you to
- ✓ Keep at least 2 metres away from other Bubbles of children/adults at playtimes too.

### **Steps to Modify Behaviour During Lesson Time**

We have a hierarchy of sanctions/consequences for inappropriate behaviour when the children choose to not follow the class and/or school rules, all the children are aware of these. For all classes the following consequences will be used:-

Verbal warning

- **Step 1:** Name on board (teacher does this) This serves as an initial warning

If there is no change, another verbal warning.

- **Step 2:** One tick 5 minutes playtime lost standing by their Bubble adult  
(teacher does this)

If there is no change, another verbal warning.

- **Step 3:** Two ticks 1 complete playtime lost (No longer than 15 minutes)  
standing by their Bubble adult  
(teacher does this)

If there is no change, another verbal warning.

- **Step 4:** If children keep failing to follow the rules Miss Bridges and Mrs Bamber are informed, Miss Bridges contacts parents who are asked to come and collect their child from school as they are putting the health and safety of all at risk by failing to comply with the rules.
