

# School Council

## Battersea Cats and Dogs Home

This year, the School Council have decided to Support the West Kingsdown branch of Battersea Cats and Dogs Home. We have decided that because “Operation Shoebox” was such a success last year, we would like to do something similar this year, but for the animals that are at the home. We are hoping that each child could bring a shoebox-covered in Christmas wrapping paper filled with little gifts/treats for a either a cat or dog.

Please could your child also make and decorate a Christmas tag saying who it is from (first names only please) and attach it to their gift. Please leave a space at the top, as I am hoping to be able to obtain a list of names of the animals nearer the time so that your child may then choose to which animal they address their present.

All boxes must be in school by Friday 4th December  
2020
