

Fawkham Sponsored Welly Walk 2021

Dear Parents/Carers,

We are very excited to inform you about a sponsored event that we would like the children to take part in after half term.

On Wednesday 10th November all children in the school will be taking part in a sponsored welly walk. The children will be required to don their wellies and complete 10 laps of our prepared route which will take them up and around the forest as well as around the field and playground.

We would like the children to invite friends and family to sponsor them to complete the walk and there will be a prize for the class which raises the most money.

The money raised through sponsorship will be used to purchase resources to support children's learning in phonics and reading throughout the school.

Please find your sponsor form attached. Please return forms and sponsorship money by Wednesday 10th November.

We look forward to a wonderful, whole school event.

Kind Regards

Natalie Payne
