

13th September 2021

Dear Parents

As you already know we have launched our new school website this September with a totally new look. We hope you will enjoy reading the information we have included and all the new photos!

As we have re-organised the way in which the information is displayed, we thought you may like some general pointers so that you will find it easier to navigate around.

On first entering the site, you will notice that our **Home** screen displays a message saying the website is still under construction. However, for the most part it is complete, but we know the forms in both the **Community...Friends of Fawkham** and **Contact Us** pages do not work as we are currently awaiting an upgrade to the software that is out of our control.

You will also find our weekly prayer and thought for the week as well as a scroll bar which will highlight any important events during the coming week.

As always, parent communication is at the forefront of our thoughts so we wanted to make it almost a “one stop shop” for you. Go to the **Parent’s** section where almost everything you need to know can be found including:

[Calendar](#)

[Classes](#)

[Clubs](#)

[Headteacher Newsletters](#)

[Internet Safety and Social Media](#)

[Medical](#)

[Parking](#)

[School Fruit and Veg Scheme for KS1](#)

[School Lunches](#)

[Severe Weather Guidance](#)

[Uniform](#)

most of which are self-explanatory.

However, you will probably find the [Calendar](#) and [Class](#) pages to be the most useful for you on a week to week basis.

In the [Calendar](#) page you will find dates for the diary (by clicking on the “button”) which you can then download and print and you will soon also be able to subscribe to the calendar (it is free) to import all the dates directly into your own electronic calendar.

If you would just like to see what’s happening when, at a glance, scroll down to the visual calendar (This will only be updated a whole term at a time though)

The [Classes](#) page is another key page for your reference. Once in the correct class, you will find all the information you need relating to your child’s class. There is a brief resume for each class on [what they’ve “been up to”](#), all the [letters that pertain to their class](#) that have been sent out and both the [termly/weekly newsletters](#) from your child’s class teacher/s as they are updated.

In the [Children’s](#) section you will find information that your child will be interested in, the latest [house team points](#) for example, information on the [leadership groups](#) including their newsletters and in the [Learning Zone](#), lots of fun packed things to do!

Please take time to have a read, please let us know your thoughts and comments.

Finally, we would kindly request that you do not copy or download any of the photos and please be aware that all the written and photographic information contained within, is all subject to copyright.

Should you find anything that is broken or information that you feel is incorrect, please contact us using the office@fawkham.kent.sch.uk email address.

P.S. Please remember to check out the [Photo Gallery](#) in [About Us](#) and the header photos on each page – they are beautiful!
