### Summary of Week 2

We have all been settling in beautifully! It has been so great to see our friends again and get to make new ones. I have been so impressed with everybody's eagerness to learn!

### THIS WEEK'S LEARNING:

| <u>Subject</u> | <u>Overview</u>                                                                                                                                                                                                                                                           |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| English        | We are starting our new book for this Topic – "Grace and Family". We will be talking about what our family looks like, sharing photos of our family and discussing what makes a family a family.                                                                          |
| Maths          | Year 1s are starting to learn place value through counting and sorting numbers up to 10 and representing them in different ways.<br>Year 2s are going to be recapping on their place value knowledge through comparing numbers to 50 and counting forwards and backwards. |
| Science        | We are going to be starting our science topic "Light" by discussing what we know about light, and that light comes from a wide range of sources.                                                                                                                          |
| Geography      | We are discussing our local area by looking at it from a bird's-eye view, and talking about the country we live in.                                                                                                                                                       |
| History        | We will be investigating and identifying the types of homes there are today.                                                                                                                                                                                              |
| RE             | We are looking into the parable "The Lost Son", as well as looking into what a parable is.                                                                                                                                                                                |
| Computing      | We will be discussing how to stay safe online and the importance of being kind to others.                                                                                                                                                                                 |
| PE             | We are developing our ability to balance on one leg.                                                                                                                                                                                                                      |

### Week 2 Attendance

We came joint 1<sup>st</sup> in the school with **100% attendance, OUTSTANDING!**
