THIS WEEK'S LEARNING:

<u>Subject</u>	<u>Overview</u>
English	We will be securing our knowledge of when to use full stops and capital letters, as well as learning to identify an adjective.
Maths	Year 1s are continuing to count and say what is one more and one less than a given number to 10 to deepen their place value knowledge. Year 2s are also going to be representing numbers to 100, as well as representing tens and ones using a part whole model.
Science	We will be discussing why shiny things reflect light, sticking to our Topic of Light.
Geography	We are going to observe maps of different scales, identifying their key features.
History	We will be finding out what Victorian houses were like inside.
RE	We are going to be discussing the reasons why Christians think of God as a loving Father.
Computing	We will be using key software and hardware vocabulary
PE	We are continuing to develop our ability to balance on one leg. We are playing mini-games and warm-ups that allow our balancing skills to improve.
