Attendance for Week 1

We came **4th** in the school with **93.3%, POOR!**

THIS WEEK'S LEARNING:

| <u>Subject</u> | <u>Overview</u> |
|----------------|---|
| English | We will be reading more of our book "Lila and the Secret of Rain". We will be using drama skills to re-enact a scene from the book, putting the story in order using a story map and also describing the setting. |
| Maths | Year 1 will be learning about capacity and volume, understanding, measuring and comparing different volumes. Year 2 will be learning about division, and dividing by 2, 5 and 10. |
| PE | Children will work in pairs sending and receiving their balls against a wall. We will be working to do this together at the same time. |
| Computing | We will be describing the potential dangers of using the internet. |
| Science | We will be evaluating our science experiment from last week and summarising what we have learnt about forces in Term 4. |

For the next few weeks, foundation subjects have been cut down to leave more room to cover English and Maths, which is being prioritised until after assessments.
