THIS WEEK'S LEARNING:

<u>Subject</u>	<u>Overview</u>
English	We will be planning and writing a diary entry in the role of Lila - the main character in our book.
Maths	Year 1 will be making doubles, equal groups by grouping and equal groups by sharing. Year 2 will be recognising and finding quarters and thirds.
Science	Children will begin their new unit "Plants" by naming and comparing plants.
PE	Children will take part in a personal best juggling game. They will work in pairs and throw balls to each other and see how many they can catch in a given time.

For the next few weeks, foundation subjects have been cut down to leave more room to cover English and Maths, which is being prioritised until after assessments.
