THIS WEEK'S LEARNING: Y2 ASSESSMENT WEEK

<u>Subject</u>	<u>Overview</u>
English	We will be completing our diary entries and beginning our new book "Meerkat Mail".
Maths	Year 1 will be looking at unit and non-unit fractions, understanding the equivalence of a half and two quarters, and counting in fractions. Year 2 will be recognising and finding quarters and thirds.
Science	Children will be identifying and naming some common trees.
PE	Hedgehogs will participate in a beat the buzzer game. Children will also work on their sending and receiving skills by passing a ball back and forth over a net.

For the next few weeks, foundation subjects have been cut down to leave more room to cover English and Maths, which is being prioritised until after assessments.
