

Dear Parents and Carers,

We are delighted to invite you to our forthcoming Open Evening which will be taking place on Thursday, 14<sup>th</sup> October 2021.

We are really pleased to be able to offer a face to face experience this year and feel that our Open Evening will provide a fantastic opportunity for you to meet colleagues and students and to hear about their experiences at HRCS; this will also provide an opportunity for you to hear more about our vision and ethos, and to see first-hand the high quality educational experience we provide for our young people.

Open Evening at HRCS usually attracts an exceptionally high number of visitors, and to enable us to provide a more structured and comfortable experience (as well as supporting social distancing) we are requesting parents to please book onto one of three sessions during the evening.

The three available options are 4.30pm, 5.30pm or 6.30pm. Each session will commence in the hall with a welcome and presentation from the Headteacher, followed by the opportunity to tour the school; visiting subject areas, taking part in activities and talking to staff and students. Guided student tours will be available, although visitors will be able to travel the school individually and at their own pace, should they wish.

Booking places for the Open Evening are to be completed on Eventbrite and confirmation of the booking will be required before entry to the school. Please find the links below for each session:

6:30pm session: <https://www.eventbrite.co.uk/e/184645328147>

We would also ask that prior to arrival that a negative LFD test is completed and masks are worn within internal communal areas, wherever possible.

The school is located on the Hadlow College campus and can be accessed via the College driveway, turning left at the playing fields. Limited parking will be available at the school, although additional parking can be found at Broadview garden Centre and in the car parks either side of the College driveway. School staff and students will be available on the evening to help with directions and parking.

We do hope you will be able to attend one of our Open Evening sessions and we very much look forward to meeting you and your family.
