### THIS WEEK'S LEARNING: **MATHEMATICS WEEK**

<u>Subject</u>	<u>Overview</u>
English	We will be continuing to discuss our space fact files and researching facts about space.
Maths	We will be taking part in many maths games, activities and competitions this week as it's Mathematics Week. Year 1 will be identifying, naming and sorting 2D shapes, as well as identifying patterns. Year 2 will be looking at missing number problems and applying their addition and subtraction knowledge, as well as assessing what they know about their new unit: Geometry.
PE	In a seated balance position children will work in pairs and create shapes with their bodies, their partner must copy their shape as accurately as possible.
RE	We will be considering questions we have about the nativity story.
PSHE	We will recognise how families are all different and compare what is the same and different about them
Music	We will be learning our songs for our Christmas Nativity Performance and rehearsing the script.
