#### THIS WEEK'S LEARNING:

<u>Subject</u>	<u>Overview</u>
English	We will be continuing our writing outcomes and sharing our work as we go, giving evaluating our peers' work along the way.
Maths	Year 1 will be ordering objects and numbers, understanding number lines and completing an end of unit assessment on Place Value and a start of unit assessment for Addition and Subtraction. Year 2 will be counting in 3s, completing an end of unit assessment on Place Value and a start of unit assessment for Addition and Subtraction.
Science	We will compare the suitability of different materials, deciding in groups what the best material would be to mend a bucket.
Computing	We are going to identify the benefits of IT.
PE	We will maintain balance on each leg, children will then move on to balancing on one leg whilst completing 5 squats.
History	We will be learning about famous British astronaut Tim Peake.
RE	We will be discussing what the story of Creation means to Christians.
Art	We will be evaluating our artwork and assessing our final outcomes against our success criteria.
