Our Aim

Our aim is to promote a love of reading in our school.

This term, we are establishing ourselves as a new team. We talked about the different reasons we had for wanting to become Reading Ambassadors. Here are some of the things we said:

I love books and also to help people be more interested in books.
Noah

I want to help children be interested in reading so that it can help their learning experience.
Annabelle

I find books interesting, like TV in your head and I hope I can help others feel the same when they read.
Elise

I want to encourage the older and younger children to read more.
Billie

I like to read and I want others to like to read too.
Ava

What have we been doing?

We have met as a team a few times this year and we have great plans. We managed to hold one event in the autumn term and are currently in the process of planning Fawkham Book Week which will take place during the week beginning 6th March 2023.

Bedtime story

In the Autumn term, we held our regular 'Bedtime story' evening. The children came back to school in their pyjamas and enjoyed being read a range of stories by teachers and other staff. Children in Squirrels Class were particularly excited to listen to ghost stories in the dark. The evening also included a break for hot chocolate and biscuits and was a roaring success.
