We are the Reading Ambassadors!

Alana, George, Bella, Daniel, Jana, Rosie, Ivy, Poppy, Sienna and Mack

This term we have been reflecting on why we love reading. Here are some of the things we said.

I love reading
because it makes
me feel happy!

I love reading
because it brings
good vocabulary to
my writing.

I love reading because
it makes me imagine
the book so I can be
where the book is set.

What have we been doing?

It was difficult for us to meet regularly this year due to lots of different reasons but we still managed to achieve some things as a team.

Bedtime story

In the Autumn term, we held our regular 'Bedtime story' evening. The children came back to school in their pyjamas and enjoyed being read a range of stories by teachers and other staff. Children in Squirrels Class were particularly excited to listen to ghost stories in the dark. The evening was finished off with hot chocolate and biscuits and was a roaring success.

World Book Day 2022

We celebrated World Book Day in March. Our focus for the week was poetry and we based our learning around the Oliver Jeffers text 'Here we Are'. We had a fun filled week in school...

*We all came to school dressed as our favourite book character.

*We took part in a competition to turn vegetables in to book characters. Everybody showed fantastic creativity.

*We were visited by James Carter. James performed his work in assemblies for each Key Stage where he had the children howling with laughter. He then went in to classrooms to

work with the children and support them to write their own poetry. This was a truly brilliant experience for us all.

*We had a house teams day focussed around the book 'Here We Are'. The children took part in lots of wonderful activities and really enjoyed the book. The activities included making 'Under the sea' scenes and objects from space.

*Other activities that we enjoyed during the week were reading with our buddies, sharing books with our family members and a book sale.

Wellbeing Week

As part of our recent wellbeing week, the Reading ambassadors focused on how good reading is for our wellbeing and how we can use reading as a means of escapism. For our

activity we took books outside and read out in nature with our friends. We then enjoyed making a keepsake bookmark to remember the day.

Upcoming Events...

We are really hoping for time at school next year so that we can plan more events and activities. Some of the things we have planned are:

Library Visits

Book Week

Bedtime Stories

Sponsored
Events

Reading Buddies

Share a Story
month

Don't forget to take part in the library challenge over the summer holidays. Remember that the class that has the most members taking part will receive a treat!
