February 2024

## Who are we?

## Our Aim

Our aim is to promote a love of reading in our school and to encourage all children and adults to read for pleasure.

## Bedtime Story

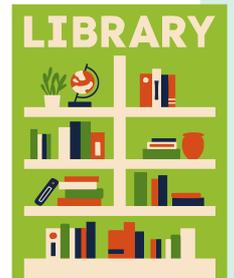

In the Autumn term, we hosted our popular Bedtime Stories evening. All children were invited to come back to school in their pyjamas and enjoy listening to a range of stories read different adults. They even had a break in the middle of the evening to enjoy hot chocolate and biscuits! Yum!

## Love our Library

The Reading Ambassadors are very keen to encourage all members of our school community to use our library more. They have spent some time evaluating the library and have drawn up an action plan of actions they would like to complete in order to make the library a more welcoming and 'user friendly' space. Some of the ideas they have had include:

- Painting the walls a more calming colour
- Rearranging the furniture to open up the space
- Organise the books so we all know where to find the books we need
- Put systems in place for returning books and keeping the library tidy.

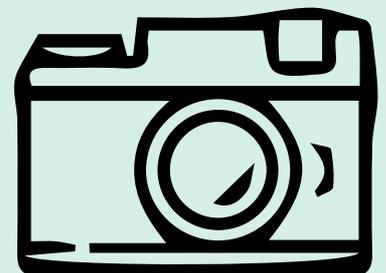

## Top 100 Books

This year, we have been very keen to make sure that we have the very best books in our school. We have made posters containing the top 100 books for each year group and have stuck these in our reading records too. Miss Atkins and Miss Payne have been working hard to source as many of these books as possible and the Reading Ambassadors have been thinking of ways to fundraise in order to buy the rest. We have created Amazon wishlists for each year group and during book week we will be asking parents to donate books from our lists to help us in our mission to source the top 100 books for each year group!

## Fawkham Book Week 2024

Fawkham Book Week will take place this year between 11th-15th March 2024. We have lots of fantastic activities planned including a vocabulary dress up parade, a sponsored poetry recital and a family reading session. We look forward to our whole school community joining in with these wonderful activities.
