This week's learning

Subject	Overview	
Maths	Year 5 • multiply by 10,100,1000 • divide by 10,100,1000 • multiples of 10,100,1000 • Add and subtract end of unit assessment • Year 4 fractions recap	Year 6 • multi-step problems • multiply fractions by integers • multiply fractions by fractions • divide fractions • arithmetic test
English	This week, we will begin reading our class text 'Dracula'. Children will then analyse spooky settings and gather key vocabulary to support them when writing their own setting description.	
RE	What are my ideas about biblical ideas, teachings or beliefs in relation to the issues, problems and opportunities of my own life and the life of my own community in the world today?	
History	What are crime and punishment like today compared with the past?	
Science	To recognise that levers and pulleys allow a smaller force to have a greater effect (2).	
Computing	To explain how selection directs the flow of a program
