Friday	<ul style="list-style-type: none"> - Children will need forest school kits in school for today, including wellies! - PE kits should be worn to school today. - Class taught by Miss Atkins all day.

This week's learning

Children will be taking part in a range of activities as part of our Kingswood trip!

<u>Subject</u>	<u>Overview - for children remaining in school.</u>
Maths	Children will be working in teams as part of a maths project. This will involve applying a range of mathematical concepts to solve problems.
Art	The children will take part in an art project. This will include researching key artists and applying their learning to create their own art outcome.
RE	The children will be researching key information about the Harvest Festival in preparation for our Church service this term.
Computing	Children will be working together to create games on Scratch, applying their prior knowledge of algorithms.
PE and forest activities	The children will join in with a range of team games, including football, netball and bench ball. They will also take part in some forest school-like activities in our woodland.

This week's spellings:

Spellings will continue next week.

Times Tables:

All times tables to 12 x should be practised daily.
