This week's learning

<u>Subject</u>	<u>Overview</u>	
Maths	Year 5: > Draw and move on a grid > Describe movement on a grid > Place value start of unit assessment > Roman numerals	Year 6: > Numbers to 10 million > Read and write numbers to 10 million > Powers of 10 > Number line to 10 million
English	The children will edit, review and evaluate their split narrative from last week. We will then begin preparing to write a report about bullying.	
Science	To compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches.	
Computing	To evaluate different ways of working together online	
Art	The children will continue their self-portraits using the technique of finger printing, based on the artwork of Chuck Close.	
RE	We will be discussing the key question: 'Why do many Christians find science and faith go together?'	

This week's spellings:

High Frequency Words

Year 6: adjectives -ent into nouns -ence and ency

Times Tables:

All times tables to 12 x should be practised daily.
